Budget Workshop Meeting  
October 21, 2010

Present: Chairman Daniel Worley, Vice Chairman Larry Dost

Chairman Worley called the budget meeting to order at 5:00 pm. No one from the public was present at the meeting.

Larry Dost noted that the budget is showing a decrease in the revenue for 2011 due to the decrease in income tax. Dan Worley noted they are using the figures from 2009 but noted there is presently a reassessment occurring in Adams County. Once they have the final figures from the reassessment, the township will readjust the millage so the residents of Latimore Township will not pay anymore taxes due to the reassessment.

Larry Dost stated they will not be giving raises to the township employees because of the economy.

Dan Worley stated the amount the township will give to the fire and ambulance companies will be the same as it was this past year.

The proposed budget will be on the Agenda for the November supervisors' meeting.
